What: Workshop for Sport Clubs

For Whom: Volunteers of Sport Specific Clubs

Club Excellence is a National amateur sport and organizational development program delivered in a multi sport setting for those working at the community level and Provincial level. It focuses on best practices and practical application of everyday challenges within sport at the club level; with a strong emphasis on leading, organizing and planning.

Club Excellence delivers workshops for the volunteers and staff of communities' sport clubs and organizations. Workshops cover a variety of issues related to five key areas;

- organizational development
- coaching excellence
- quality programming
- people development
- safe and welcoming environments

Club Excellence workshop(s) that will help to raise each club's capacity to....

- function more effectively and systematically,
- operate more efficiently,
- address their member needs more effectively,
- be able to fiscally plan for the future

...as well as to address equity and ethics issues at the local level

Sport Manitoba is piloting this training with Club Excellence and is looking for club volunteers to attend

Please RSVP to Susan Stastook at 925-5612 by October 20, 2010.
