NOTE: The Western Canada Games Council recognizes that an age-dependent criterion may not adequately reflect the entry of an athlete into their sport due to late onset disabilities through injury or medical condition. Therefore, Council may approve age exceptions to Wheelchair Athletics and Wheelchair Tennis athletes over 35 years of age providing the sport can prove to the Technical Committee that the athlete is within the Training to Train level of the sport LTAD. Participants who have participated in 2 previous Western Canada Summer Games will not be eligible to compete in a Western Canada Summer Games; with the exception of the 2011 Western Canada Summer Games as the Games cycle is in progress at the time of the Council decision.

Selection Principles:

- All events at the trials will be in accordance with IAAF rules.
- For the purpose of this document Seniors refers to the Canadian National Championships and INCLUDES the qualifying rounds of competition.
- Each province/territory can enter up to a maximum of three athletes per event and have one relay team per event.
- There is no limit to the number of events that a competitor can enter.
- A province/territory may enter only one relay team in each relay event.
- An athlete is permitted to try out for only one province/territory per Games.
- All athletes seeking selection to the 2011 Western Canada Summer Games Manitoba Team must compete at the Manitoba trials or Seniors and remain 100% competition-ready for the Games.
- Follow up on medical issues will involve a certified Sports Therapist.
- Injury may result in de-selection, should an athlete not be able to compete at 100%.
- Final determination will be made with consultation of Games staff, personal coach(s), a certified Sports Therapist and the athlete.
- If an athlete is unable to compete at the trials due to personal reasons (i.e. death of a family member or friend, exams, transportation breakdown etc.) they must immediately inform the Head Coach of Team Manitoba, John Iwanski of their status/situation. This can be done in person or by phone and must be followed up with a letter of appeal submitted to the Head Coach.

- All appeals must be submitted in writing by 5pm (CST) on Monday, June 27th. Appeals should be sent to the Athletics Manitoba office (145 Pacific Ave) or can be emailed to chris.belof@athleticsmanitoba.com
- Team selection will be finalized by 12 midnight (CST) Thursday, June 30th, pending extenuating circumstances.
- All athletes selected to the team will be contacted by the WCSG Staff by email, phone or in person.
- If the roster is not complete with athletes attaining the required standard within the designated time period, it will be at the discretion of WCSG staff to determine if the addition of athletes will be in the best interests of Team Manitoba.
- This principle also applies to extra relay positions and/or relay alternates.

Selection Criteria:

- All athletes must indicate their intent to participate prior to June 15th.
- All athletes must compete in the same event at the Trials as they would in the Games.
For example: If you wish to compete in the women's 200m at the Games, you must compete in the designated women's 200m final at the Trials.
- Athletes who choose to attend the Canadian National Championships or Qualifying rounds (Seniors) must also compete in the same event as they would in the Games.

Note: Once an athlete has been selected to the team, they can be entered in additional events that they did not compete in at the Trials if, in the opinion of the Games staff, it is in the best interest of the team. This will not deselect another athlete from an event.

Selection Process:

16. Third place at Trials and did not achieve minimum standard, however will benefit Team Manitoba's scoring at the 2011 Western Canada Summer Games.

*IMPORTANT NOTES:

1. As previously mentioned this **includes** the Canadian National Championship qualifying rounds.
2. If the situation arises where the Selection Criteria must choose between athletes who placed 1st or 2nd at the WCSG Trials in Winnipeg and an athlete who competed at Seniors, (both having previously achieved standard) performances from the **highest round of competition achieved** will be used for the purpose of Team Selection.

Possible scenarios:

- Athlete competes in the qualifying rounds but fails to advance to the finals. Their performance from the qualifying rounds will be used for the purpose of team selection.
- Athlete advances out of the 800m qualifying rounds and into the semi-finals, but fails to advance to the finals. Their time from the semi-finals will be used for the purpose of team selection.
- Athlete advances out of the 1500m qualifying rounds into the semi-finals and also advances to the finals. Their time from the finals will be used for the purpose of team selection.

Rationale:

- Performances achieved in the heats at WCSG trials do not count towards the final team selection thus the same standard must be applied to those attempting to qualify at Seniors.

Note: Final team selection to be approved by the Board of Directors of Athletics Manitoba.
