Dave Lyon Legacy Fund

Dave Lyon held many different roles in the sport of Athletics. He was a long time athlete, coach, sport administrator and volunteer in the Athletics community. His passion for the sport of Track and Field carried him to 5 Olympic Games. He was a team leader in Montreal 1976, Los Angeles 1984, Seoul 1988, Barcelona 1992, and finally Sydney in 2000. Dave was the Athletics Competition Chair for the Pan Am Games in 1967 and 1999. Dave founded the historic Winnipeg Razorback Track and Field club which held national acclaim. His multiple roles in the sport of Athletics allowed Dave to inspire many young athletes to not only achieve athletic success as national champions and Canadian team members, but also to give back to the sport as coaches, leaders and sport builders. Dave's Legacy in Athletics in Manitoba is the continued pursuit and support of High Performance.

Originally intended to support athletes from Manitoba who qualified for self-funded teams, the Dave Lyon fund will now support all athletes who are full-time residents of Manitoba and who make national teams. Athletics Canada no longer has self-funded teams. All national teams are funded.

The funding available through the Dave Lyon Legacy Fund is \$250 - \$500 each year depending on the number of athletes who make national teams. It will be dispersed in January of each year.

Selection Criteria:

- Manitoba Resident
- National team member
- Funding level to be determined by the number of athletes who make national teams and the amount of funds available for distribution

Application/ Email of interest can be forwarded to:
