

Please see the information below regarding access to the university stadium while there are FIFA Soccer games being played between June 8th and 15th. The following information was provided to Claude:

1. On the days of games there is NO Exclusive Use scheduled for the Stadium. This means that there will not be a facility attendant working, which means no access to equipment and the washrooms will not be open. There is a porta toilet behind the grand stand near the throws area.
2. Even though there is no exclusive use it does not mean that people will not be allowed to train, but again with limited access to equipment
3. The challenge will be finding a place to park. You may have to park off site and either walk or bike in. Below you will find some information from U of M regarding the parking situation during the games as well as the FIFA schedule.

### **PARKING INFORMATION FOR FIFA WOMEN'S WORLD CUP EVENT DAYS Effective June 8, 12, 15 & 16 ONLY**

On game days, vehicular access onto campus is possible via Chancellor Matheson Road, University Crescent (both north and south entrances) or Kings Drive.

Road closures along Chancellor Matheson and University Crescent (the same as a Blue Bomber game day) will go into effect 90 minutes prior to every FIFA game - including afternoon games - with road closures beginning as early as 1:30pm (see table below for game times).

**U Lot and SD Lot will be closed on all FIFA game days.** U Lot permit holders will be provided with alternate parking on those days.

**STAFF:** Staff will **NOT** be required to move their vehicles **PRIOR** to 4:30pm on FIFA event days. **After 4:30pm**, the full Event Day Parking Plan as above will go into effect, whereby **all permit holders may only park in A, B, staff section of D, CTC and AC lots.**

Any staff parking permit holders currently parking in U Lot will be contacted directly by Parking Services and moved to another parking lot for FIFA event days.

**STUDENTS:** You will be provided with information regarding FIFA event day parking when purchasing your Student Parking Permit. If you have any questions, please contact Parking Services. Students that are not parking permit holders but have a class that conflicts with a FIFA event can purchase a permit from Parking Services.

**VISITORS:** Casual paid parking in U Lot and SD Lot will be closed for FIFA event days. All other casual paid parking options will be available prior to 4:30pm. After 4:30pm, casual paid parking options will be available as per the regular Event Day Parking Plan above.
