**Nationals Group Accommodations – Edmonton, Alberta**  
**Approximate Dates: June 27 – July 10, 2016**

**Important Notes:**

1. Targeted athletes for this training opportunity include all those planning to compete at the Junior/Senior Nationals Championships in Edmonton this July.
2. The costs noted below are for the pre-nationals training camp AND nationals. There are multiple options depending on whether you plan to drive or fly to Alberta. Athletics Manitoba is planning to rent a vehicle for use during the entire event (i.e. training camp and nationals); however, the number of rentals will depend on the number of athletes planning to drive. You will be asked to indicate which option you want on the registration form and provide a deposit based on your selection.
3. The total estimated cost for accommodations alone is \$600. This is based on; accommodations in Calgary in either a rental house with 8-10 people, or dorm accommodations at the SAIT Residences with 8 people per unit, as well as accommodations in Edmonton at the Campus Towers Hotel with 6 people per suite.
4. The total estimated cost for accommodations plus ground transportation is \$915. This is based on the same accommodations listed above plus transportation costs in and between both cities.
5. The deadline for registration is May 16, 2016. In order to register you MUST turn in a cheque with your deposit and a completed registration form. Final balances will be determined once all bookings are completed and final costs are confirmed.
6. Cheques are to be made out to Athletics Manitoba. Forms can be mailed to or dropped off at Athletics Manitoba. You can also return forms and cheques to Alanna Boudreau or Chris Belof at the track.
7. The minimum participation for this camp to go ahead is 8-10 athletes.
8. In the event that a smaller number than the noted minimum of athletes express interest, Athletics Manitoba will work with the group of athletes to help them access the track and accommodations if they still wish to travel.
9. Athletes are responsible for booking their own flights and getting to the accommodation location in Calgary.
