### MB GAMES - SELECTION CRITERIA NORMAN

---

The Norman Region MB Games Team will be selected based on results achieved at the qualifier meet on **June 3<sup>rd</sup>** in The Pas.

Bantam and Midget aged athletes are able to be selected to the Team (As of Dec 31<sup>st</sup> 2016) however it is important to note that the Legion National Championships (Midget and Youth) are being held the same weekend as the Manitoba Summer Games and therefore midget aged athletes will not be able to attend both events.

The coaching staff strongly encourages all parents and coaches of midget aged athletes to discuss this conflict and make a decision that will best meet the needs of the individual athlete.

Final Team Selection will occur after the completion of the event with all members being contacted by June 10<sup>th</sup>.

The team will be selected based on the following points system. Those who have the highest points after we have added them up will be selected first for the team and so forth.

- 1<sup>st</sup> place in an event = 8 points
- 2<sup>nd</sup> place in an event = 6 points
- 3<sup>rd</sup> place = 5 points
- 4<sup>th</sup> place = 4 points
- 5<sup>th</sup> place = 3 points
- 6<sup>th</sup> place = 1 points

The head coach for the Norman Region will be Jason Dunham.

All athletes planning to compete at the Norman Qualifier on **June 3<sup>rd</sup>** should register for the event here – [www.TrackieReg.com/2016-norman-qualifier](http://www.TrackieReg.com/2016-norman-qualifier)

Once the final Norman team has been selected, all athletes must register with Sport Manitoba. The registration site is open now and all athletes are welcome to register in advance of final team selections. If you make the team, you'll be a step ahead! (If you don't make the team or for other reason can't attend, they will simply remove you from the system).
