

The MASRC is very busy preparing for the 2017 North American Indigenous Games (NAIG) that will be held in Toronto, ON. A huge part of these preparations will be choosing many Aboriginal (Métis, Inuit and First Nation) athletes from all across Manitoba to represent Team Manitoba in these prestigious games!

We are pleased to announce that we are now accepting registration for male and female athletes to try outs for Team Manitoba! The tryouts will begin in June of 2016!

Due to the large number of athletes attending the previous 2014 NAIG Regina tryouts we have made the process very simple by going completely online!

The link is ready to register for the upcoming 2017 NAIG Team Manitoba Tryouts can now be found at <http://bit.ly/20zE7pk>

The athlete selection process for Athletics will be an identification process! The interested athlete must register online, pay the tryout fee, and submit their competition results to the NAIG MB Manager (information below) which will then be forwarded to the 2017 Team MB Athletics Coaching staff for selection.

If you have any questions or concerns, you can contact:

Lynette Kryminski

2017 NAIG MB Manager
