Athletics Manitoba Fee Increases for 2017-2018

Effective September 1, 2017 Athletics Manitoba has increased its membership fee. The base fee structure will stay the same however we have added an equipment levy to all membership fees. This additional fee will NOT contribute to general revenue but will be set aside annually to contribute to the purchase/repair of equipment.

Peewee/Bantam Athletes:	\$2 per athlete
Midget to Masters Athletes:	\$5 per athlete
Elementary Schools:	\$20 per school
Junior/High Schools:	\$50 per school

Exclusive Use Fees:

- All athletes who are training during exclusive use will be charged a \$40 fee to cover off costs associated with training equipment maintenance and replacement.
- This fee will be collected by clubs and paid to AM.
- The University of Manitoba (U of M) Bison Track and Field Team contributes to equipment maintenance through their program and AM's partnership with the University of Manitoba Faculty of Kinesiology and Recreation Management therefore this fee does not apply to athletes who are on the U of M roster.

Background for these changes:

In 2016-2017 Athletics Manitoba undertook an extensive review of its equipment inventory to understand the annual operating costs associated with equipment use, maintenance and replacement. The purpose in doing this exercise was to create a long-term equipment maintenance plan for our association. To ensure that AM and its members always have the equipment needed for training and competition. The equipment used to operate Athletics in Manitoba can be broken into four categories:

- 1) Consumables (i.e., ammunition, hip numbers, etc.)
- 2) Competition equipment
- 3) Training equipment
- 4) Technology (i.e., photo timing, computers, electronics)

For each category, an inventory was taken, and for each piece of equipment we determined the cost and its lifecycle. With that information, a formula was created to calculate an annual operating/maintenance cost. These spreadsheets are available upon request.

Athletics MB will also be looking to hire an equipment manager. This manager would be tasked with monitoring equipment, completing repairs, and acting as the main contact point for all new/replacement equipment requests.

Diana Stevens Legacy Fund

Diana Stevens had a deep and passionate love of grassroots Track and Field in Manitoba. She loved what the sport could do for all children, how it encouraged healthy living, developed confidence in athletes, and gave athletes of any ability or age the opportunity to be a part of a team. Diana was an enormous supporter of the many Athletics Manitoba's school based programs and the children that these programs impacted. Her passion to create a positive environment, help young athletes learn to train for Track and Field, and grow through sport were paramount in all the programs that she developed.

The Diana Stevens Fund will support school based programs in the province. Each year elementary schools will be encouraged to apply to the Diana Stevens Legacy Fund that will allow them to invest into their already established programs. This Fund is designed to help offset the cost participating in Track and Field; removing barriers to participation. The Diana Stevens Legacy fund will help one school a year continue to live out Diana's passion of reaching children through Track and Field (please note that in order to assist as many programs as possible, schools will not be awarded the funding in successive years). For the 2017/18 school year one school will be receive the funding through the Diana Stevens Legacy fund in the amount of \$400.00

Application information should include:

- Name of School based program
- Coach/program coordinator's name
- Coaching certification level of head and assistant coaches
- Number of athletes in program
- Age/Grade of athletes affected
- Indication of whether the program is an indoor or outdoor program or both
- Description of the population of your school (new Canadians, inner city, etc)
- An explanation of why these funds are needed
- Outline how this donation will be used and what the projected benefits of this program are to the school and community
- Outline other sources of revenue
- Outline your ability to carry out the grassroots Track and Field program [long term stability = 5 year plan]

A staff committee will review the applications and select a recipient based on program impact and indication of need as expressed in the application.

DEADLINE FOR APPLICATIONS: NOVEMBER 30TH 2017

Application/ Email of interest can be forwarded to:

Run Jump Throw Wheel

Run, Jump, Throw, Wheel (RJTW) is Athletics Canada's official grassroots program of physical activity for children and youth. RJTW contributes to the development of fundamental motor skills such as running, jumping, and throwing through a series of lessons that focus on skill acquisition, sport education and participatory/team competition.

The program is designed to give elementary school aged children a strong background in sport skills that will serve them well in other sports and throughout their lives. No matter what sport or physical endeavour children attempt in their lifetime, the mechanics of running, jumping, and/or throwing will inevitably come into play.

This training program fits perfectly into a school's existing physical education program.

The NCCP RJT Instructor Course:

The NCCP RJT Instructor Course trains Instructors to develop fundamental motor skills such as running, jumping and throwing in children ages 7 through 12. Following the course Instructors will be able to:

- Plan a practice
- Use progressions to teach fundamental motor skills to children
- Understand and apply the progressions used to teach basic track and field skills
- Apply Run, Jump, Throw activities to other sport programs (soccer, basketball, etc)
- Use resources in ongoing physical education school programs
- Coach grassroots track and field athletes in a track club or school program
- Work as a Run, Jump, Throw Instructor

Participants receive a full resource package including scripted lesson plans, educational DVD and reference materials. For more information regarding the NCCP RJT Instructor Course, please contact:

Alanna Boudreau – programs@athleticsmanitoba.com

Athletics Manitoba School Outreach 2018

Athletics Manitoba is pleased to once again offer an outreach program to schools to assist with training and competition for the 2018 Outdoor Track Season. The long-term goal of this program is to develop and support a strong feeder system for Manitoba Games and other regional and provincial competitions.

The program is targeted at grades 6 through 9 (Bantam and Midget athletes) as an introduction to further Athletics training and running, jumping and throwing events; however, depending on the size of the school and the number of athletes, high school students can be engaged in the program as well. The resources from this program are designed to help athlete's transition from an introductory Run Jump Throw Wheel program into more advanced technical program and to prepare athletes wishing to compete for their region at the Power Smart Manitoba Games. Coaches will be provided with a 6-week program that can be modified as needed to fit the needs of their practice schedule.

There is no fee for this program, but all schools MUST HAVE AN ATHLETICS MANITOBA MEMBERSHIP. (Complete the school registration form available [here](#)). Interested schools can sign up to be part of the program which will include the provision of a 6-week training program for athletes (3 sessions a week), at least one visitation from Athletics Manitoba clinicians and assistance with running a meet in the region or a field day at the school (the meet locations and dates will be determined once all the program participants are confirmed). All meets should be concluded by mid-June.

Following the school field day or regional meet, athletes and/or teams will have the option to compete at other meets as well as the Age Class Championships at the end of June. In addition, Midget athletes are eligible for selection to the Midget Provincial Team that competes at the Tri-Province Meet in July.

This year demonstration videos will be made available to the public, showing many different stretches, dynamic warm-ups, drills, and exercises. This will be a tool for athletes and coaches to utilize.

How do we get in? How does the program work?

1. Registration is done by completing the registration form - [HERE](#)
Please complete your registration by April 13th 2018
2. Once your registration is received, Athletics Manitoba will email you the complete 6-week training program.
3. Start training!
4. Athletics Manitoba summer students will be in touch with you by the end of April to set up your school clinic date and your field day or regional meet.

Legion Athletic Camp

Track and Field

Boys and girls 10-15 years old will get the opportunity to learn track and field skills and modern training methods in all of the sport's exciting events. Young athletes will have the chance to learn a little about all events and later in the week learn more about their favourite events.

Head Coach: Scott Gurney

Website: <http://www.legionathleticcamp.com/article/-track-and-field-60.asp>

Advanced Track

Athletes 15-17 years of age specialize in events and receive advanced training led by international, national and provincial coaches. Our goal is to make sure each athlete gains added knowledge and skills in their area of specialization. In addition to daily training sessions, staff provides lectures, films and demonstrations on the latest training techniques. We also focus on other aspects of competition including nutrition, relaxation and discipline. We will offer rules and officials training as well as the event training.

Head Coach: Matt Blewett

Drop off Instructions – Please provide this information to your bus drivers!

In order to unload athletes and coaches safely and minimize the disruption of traffic flow on campus, the following process must be followed for athlete and coach drop offs when attending Track Attack Meets.

Buses will stage in Q lot and come into I lot 2 at a time near the garage door located at the north end of the Max Bell Field House. Athletes and coaches will then proceed into the open doors to the left of the garage door (there will be someone to direct you). Once inside coaches and athletes will proceed up the stairs and onto the mezzanine level of the track where they can access the stands.

Buses are asked to unload in a horseshoe at the back of I Lot and return out of I lot turning right onto Sidney Smith Street and then left onto Ralph Campbell Road where they will proceed past the parkade and merge onto Sifton Road, which can be followed back to University Crescent.

 - b. Top 12 in all field events
 - c. Schools must confirm a qualifying athlete’s entry for the championship final by noon, Monday, March 12th. In the case that an athlete who qualifies for a final is not able to complete the next highest ranked qualifier will be moved in to the Championship Final.
13. Championship Meet:
 - a. Medals for 1st, 2nd, and 3rd.
 - b. There will be an “A” and “B” Final for all track events, including relays. The finalists in the Long Jump, Triple Jump and Shot Put will have three attempts only.

Boeing Indoor Classic

The Boeing Indoor Classic was first staged in a hanger in Gimli in 1981. After two years of competition in Gimli, the meet was held in the Minto Armories (with a portable track) before moving into the present James Daly Fieldhouse (Max Bell). Winnipeg Optimists Athletics (WOA) has hosted this meet for the past 35 years with its corporate sponsor Boeing Canada Technology.

The Boeing Indoor Classic also serves as the Manitoba Indoor Provincial Age Class Championships and is a great opportunity for club and school athletes alike to compete against athletes from outside of the Province.

Junior High Track Attack and High School Series Schools will be offered:

- Their first entry at half price when entering more than one event and one free relay entry when entering more than one relay.
- The top 15 ranked athletes in all events will receive the first entry free when entered in more than one event.
- School entry fees will be capped when total entry fee reaches \$500
 - Please note: There will be limitations placed on the number of entries per school in the field events when applying this cap. In order to assure that field events run on schedule, schools will be limited to a maximum of two athletes per age category, per field event. Additional athletes may be entered but they would be charged at regular price.

Any questions regarding the Boeing Indoor Classic and the Manitoba Indoor Provincial Age Class Championships should be directed to Larry Switzer – Larry.Switzer@shaw.ca

Simplot Games

Each year a small group of Manitoban athletes and a coach are selected to travel to the Simplot Games at Idaho State University.

In order to be considered for selection you must submit a letter of interest and your athlete/coaching resume to: execdirector@athleticsmanitoba.com – **Entry deadline is October 20th, 2017**

The letter should outline why you feel that you would be an ideal candidate for the program and how your athletic or coaching career would benefit from the opportunity. These applications will be forward to the Manitoban Simplot representatives who will make the final selections.

North America's Premier Indoor High School Track and Field Event

"It is our vision to turn over a world to our children and grandchildren that is better than we found it."

– Scott Simplot, Chairman of the Simplot Company Board of Directors and son of company founder, J.R. Simplot

The 40th annual Simplot Games will be held February 15-17, 2018 at Idaho State University's Holt Arena. The annual J.R. Simplot Company-sponsored event has become one of the nation's premier high school indoor track and field events since it was first held in 1979.

Although the 2,000 athletes from 20 different states, Canada, Mexico and Australia who travel to Pocatello come to shine under Holt Arena's bright lights, the Simplot Games weekend itself is about more than just standing atop a podium.

Past competitors have had the opportunity to mingle with Olympic legends like Dick Fosbury, our Simplot Games chairman, Andre Phillips, Stacy Dragila, and Willie Banks. The Games also offers recognition for everyone with the Parade of Athletes, a truly Olympic event.

The Simplot Games is unique because it is an open meet, which means athletes do not need a certain qualifying time or distance to be able to compete. Everyone is welcome at the Games and this allows high school athletes from all over the chance to compete and have fun. It truly makes Simplot Games an extraordinary experience for everyone.

The Games are more than a track meet. They have become a melting pot of young, aspiring individuals and dedicated business people and volunteers who grow, learn, and improve while coming together in the spirit of competition.

**SCHEDULE OF EVENTS – Events may run ahead of schedule – listen for announcements!
Unless otherwise noted all track events are timed finals!!**

If an athlete is competing in both a track and field event at the same time; they must check in at the field event and then go compete in their track event. They must return to the field event as soon as possible following the track event and check back in with the official (if they do not return within a reasonable time they will not be allowed to continue in that event).

In the throwing events, due to time restraints and the volume of athletes competing, each athlete will complete three throws in succession and only the longest throw will be measured. In the long jump, both pits will be used and each athlete will be allowed three jumps. A flight (10 athletes at a time) will complete their jumps and then the next flight will be called. Athletes will need to remain near the competition area so that they can hear when the next group of athletes is being called.

Age Class Provincial Championships

The Athletics Manitoba Age Class Provincial Championships will take place Friday June 22nd and Saturday June 23rd, 2018. This two-day event is open to all athletes in all age categories, with medals being awarded for the top 3 finishers in each event.

All participants must be full Athletics Manitoba members (\$75 individual membership fee) or School members. All other participants will be required to pay an additional \$10 day membership for each day of competition. Please note that this is the last competition that Schools may send athletes to under their School Membership. Athletes looking to make provincial teams or who simply plan to compete at additional meets throughout the summer require a full \$75 athlete membership.

Midget/Youth Provincial Team

The Midget & Youth Provincial Team program is a competitive opportunity organized annually by Athletics Manitoba. The program is targeted towards athletes that fall into the Midget (14 or 15 years of age) and Youth age categories (16 or 17 years of age). Each year the Midget & Youth Team attends the Tri Province/Western Canada Challenge meet.

Standards used for potential provincial team selection are outlined below. Please note that achieving the standard or being named to the Prep Squad allows the athlete to enter the selection pool; it does not guarantee selection. Standards in the events must be met or exceeded in an Outdoor sanctioned competition between the dates of April 1st 2018 and June 24th 2018.

General Information

- This year's event will be held in Alberta, dates will be distributed once they have been finalized.
- Team Size: 50 athletes Midget Team & 50 athletes Youth team.
- Team fee: \$500 – will include transportation, accommodations, competition uniform and some meals.

Athlete Eligibility

- Must be a registered member in good standing with Athletics Manitoba.
- Tri-Province Meets are open to Canadian citizens and permanent residents (a permanent resident is someone who has been granted permanent residency 90 days prior to the start of the meet. Permanent residents must have a Record of Landing (IMM 100), a confirmation of Permanent Residency (IMM 5292), a Permanent Resident Card, or any other document deemed eligible by Immigration Canada as proof of their status.

Selection Process

- Midget/Youth Provincial Trials will be held in conjunction with the Athletics Manitoba Age Class Provincial Championships on June 22-23rd, 2018.
- All athletes interested in being considered for the team must submit a declaration of interest form by **the end of the meet (June 23rd)**. These forms will be made available online at www.athleticsmanitoba.com
- As noted above the qualifying period for achieving standards will begin April 1st and includes all performances achieved at Trials.
- Final Team Selection will occur after the completion of the event with all members being contacted by the following Wednesday.
- The process to finalize team selections will occur in the order listed in the selection criteria. Once the team size is reached, the selection process will end.

Legion National Championships

Athletes who attend the Peace Gardens Track and Field camp have the opportunity to be selected to the Legion National Championship Team.

For over fifty years The Royal Canadian Legion has supported Canada's youth through training and competition in track and field. The Legion Nationals are Canada's premier and only nationwide competition for the youth and midget category and are truly national in scale as the Legion supports provincial teams from all provinces and territories in Canada. This support is provided exclusively through funding provided by the members of the Legion.

From The Basic and Advanced Legion Athletic Track Camp a total of 36 athletes will be selected to attend the 2018 Legion Youth National Championships to be held August 10-12th, 2018 in Brandon, MB. This is an all-expenses paid trip.

THE CHAMPIONSHIPS ARE OPEN TO BOTH BOYS AND GIRLS IN THE FOLLOWING AGE CATEGORIES:

- a) 15 years and under, as of 31 December in the year of the championships; and
- b) 17 years and under, as of 31 December in the year of the championships.

Semi-Annual Planning Meetings

In an effort to increase and improve the dialogue between the office and our membership, we will be hosting 2 dinner meetings over the course of the year, one in the fall and one in the spring. These meetings will serve as an opportunity to review competition calendars; coach education plans as well as any other topics brought forward by those in attendance. These meetings will be attended (at a minimum) by one member of the office staff and one member of the board of directors.

Dinner will NOT be provided, but all meetings will be held in a restaurant setting to allow for informal, casual conversation of topics. The goal is casual and honest discussion where a variety of opinions may be voiced and used to help further our programs. General minutes of the meetings will be taken and distributed.

An online RSVP system will be set up so that so that an appropriate dinner reservation can be made.

The fall meeting will be held Wednesday Oct 4th, 2017.

Individuals who are unable to attend but would like to suggest topics for discussion are welcome to submit them in advance to Alanna programs@athleticsmanitoba.com

Student Volunteer and Leadership Program Opportunities

Athletics Manitoba would love to work with your school to develop a long term leadership/volunteer program. In general, our sport requires a huge number of volunteers and we are looking for new ways to get people engaged in our community. We can offer training, works hours as well as supervised mentorship opportunities, now is a great time to start a project that could offer development stages and a final project!

Please contact Alanna Boudreau at 925-5743 or programs@athleticsmanitoba.com if this sounds like something your school might be interested in!

Regional Coach Clinics

If you are interested in hosting a coaching clinic in your area or want to create a new professional development opportunity that doesn't quite fit into our other existing programs, please let us know! We are always interested in getting out of the office to support as many programs as possible but due to budget constraints can only fulfill a certain numbers of requests each season.

Please contact Alanna Boudreau at 925-5743 or programs@athleticsmanitoba.com if you have a proposal you would like us to consider.
