## Office Report

---

### University of Winnipeg Community Track and Field Program

- Program has been a great success so far – continuing to grow!
  - 30 athletes on the list, usually between 15-20 at each session

### Indoor Competition Calendar

- Clubs all agreed to work together to host George Tanner Memorial Classic even though Flying M could not organize this year.
- Local event dates and registrations links are all going up this week
- Next up – populate major out of Province events that should be included on the calendar

### Officials

- Hosting an Officials Recruitment/Orientation night in conjunction with the U of M Brown and Gold event.
- Walk them through some of the basics and then get them involved!
- Information has gone out to the clubs and is posted online - Hopefully we get a few people to attend.

### Sport MB Annual IFF report

- It is that time of year again, when we will be reviewing and updating our annual report and funding submission to Sport MB.

### Website

- Have gradually been making our way through content updates on a number of pages, as well as major reformatting projects on some old (ugly) pages!
- Still a lot more work to do, but trying to prioritize this as it obviously has a huge effect on our ability to get clear information out to the membership (and potential NEW membership).

### MRA Hall of Fame Plaques

- They have been installed at the U of M in the fieldhouse!!

Respectfully Submitted,
