APPEALS

Only athletes who are eligible to be considered for selection (i.e. have met the athlete eligibility requirements) and who have achieved a standard during the qualification period may submit an appeal for selection to the Canada Games staff. Appeals are only accepted if an athlete is not able to compete in their event at the trials. All appeals whether medical or extenuating circumstances must be submitted with supporting documentation indicating that the athlete will be competition ready by the Games.

COMPETITIVE READINESS REQUIREMENTS

Once selected to the team, athletes with questionable competitive readiness due to lack of fitness, injury or illness may be removed from the team at any time. Athletes will be required to immediately report any injury, illness or change in training that could affect their ability to compete at their highest level at the Games. Notification must be sent to Head Coach, Alanna Boudreau (execdirector@athleticsmanitoba.com). Failure to report injury or illness prior to the event may result in the athlete being deselected from the team.

“Competitive readiness” is the ability of the athlete to achieve equal or superior performance(s) at the Games, as compared to the performance(s) the athlete achieved in qualifying for the team. If an athlete’s competitive readiness is in question, a performance test involving the Personal Coach, Team Event Group Coach and Head Coach will be arranged. This test will vary in accordance with the event, injury or illness. Failure to demonstrate adequate health, fitness, and/or readiness by the end of the 2021 Tri Province Meet may result in removal from the team.
