

Coaching Apprenticeship Opportunity**Coaching Apprenticeship
Scholarship for 6 Sprint Hurdle Coaches**

August 23rd-25th leading into the Canadian Athletics Coaching Conference August 25th -27th
Edmonton, Alberta, at Foote Field.

Outline:

We aim to identify 6 developing coaches from across the country to take part in an applied apprenticeship opportunity here in Edmonton. These coaches will take part in a three day formal apprenticeship program aimed at developing their technical and planning skills. At the conclusion of the apprenticeship they will participate in the Coaching Conference to attain their level three technical. The selected coaches will have their airfare, accommodations, and meals paid for by the Canadian Athletics Coaching Centre. In addition we will cover the costs of the conference that follows. In essence we are providing an enriched level three technical program for six coaches.

Criteria:

- Coaches interested in this program must have the support of their provincial branch.
- Branches should identify coaches whom they feel will support their provincial program.
- Branches should identify coaches whom they feel have the potential and dedication to take the next step in coaching at the provincial and national level.
- Coaches must be level one certified or possess their level two technical to participate in this program.
- Coaches must possess a proven track record of involvement for at least three years in the sport at the local, regional and provincial arena.

Application Process
