2006 - 2007 ELEMENTARY SCHOOL INFORMATION

Athletics Manitoba has developed a package for elementary schools. This package will enable the school to take part in all association meets, attend a special elementary relay event in the Max Bell Center, access to free resources to host a Hershey Qualifying meet (for 9-14 year olds,) have access to track and field clinics at a nominal fee and receive free *training (if required) and support for using Hy-Tek Team Manager Lite to register your athletes with Athletics Manitoba.

This program is available to all Elementary schools in the Province of Manitoba. It has been designed specifically to address the needs and encourage the development of Elementary school track & field programs.

Registration in this program will involve an annual fee of \$100.00 for those schools who register using Hy-Tek Team Manager Lite (electronically) or \$175.00 for those schools who submit their registrations on paper. Athletics Manitoba will provide *training and the Hy-Tek Team Manager Lite software free of charge for those schools wanting to submit their registration electronically.
