2004 – 2005 JUNIOR & SENIOR HIGH SCHOOL CLUB PROGRAM

Registration as a School Club will involve a once per year fee for each club based on the number of the club members. Students do not need to register as individual members of the association, unless they want to be involved in additional Athletics Manitoba programs. The registration fees will cover **all athletes and coaches**, and additional members can be added at any time during the year at **no additional cost** provided that all are registered members of the same school.

- 25 or more members \$150.00 for electronic registration / \$200.00 for paper registration
- 24 or less members \$90.00 for electronic registration / \$140.00 for paper registration

Athletics Manitoba will provide Hy-Tek Team Manager Lite software, information and training (if required) for free to those schools that wish to register electronically.
