Memo

Re: Hershey's Track and Field Regional Qualifying
Track & Field Track Meet
When: Saturday, June 3, 2006

Every year hundreds of thousands of kids ages 9-14 line up for Hershey's Track and Field Games. The purpose of this program is to promote physical fitness and track and field participation for the youth of North America. This is the longest running grassroots track and field program and is focused on expanding the opportunities for young people to pursue an active and healthy lifestyle.

The interest in the Hershey's Track and Field Youth Program continues to grow in our province and Athletics Manitoba is pleased to announce that a Hershey's Track and Field meet is going to be held in **Dauphin on Saturday, June 3, 2006 at the Dauphin Regional Secondary School (330 Mountain Road North)**. This is a great opportunity for athletes in the Parkland region to compete at a regional championship and advance to a Provincial Championship! Any athlete who finishes first or second at the June 3 meet, along with all athletes who meet qualifying standards (attached), will be invited to the Manitoba Hershey's Track and Field Championships on Friday, June 16 and Saturday, June 17 at Grant Park High School in Winnipeg.

First place finishers at the Provincial Championships (June 16,17) have their results submitted to a North American selection committee and a minimum of 5 Manitoban athletes will be chosen to compete at the North American Championships in Hershey, Pennsylvania from August 3-6, 2006 (all expenses paid).

There will be some officials present but we are looking for volunteers to help at this meet. If you would like further information on this program, or if you are available to help on June 3rd, please contact diana_stevens@shaw.ca or call (204) 925-5744.
