## HEMOPHILIA AND THE PUMA ROAD RACES

The Canadian Hemophilia Society, Manitoba Chapter (CHS-MC) has been proudly associated with this road race series for over 15 years. The races are inclusive of people of all ages and running abilities, including wheelchair participants. With the generous support of runners, Athletics Manitoba, Puma Canada, local sponsors, and Chapter volunteers, these races have raised thousands of dollars for local programs and services. Programs and services such as an annual Kids' Camp, financial support for medical costs above and beyond what is covered by provincial programs, education and public awareness programs, and funding for research. Until there is a cure for hemophilia and other inherited bleeding disorders, CHS-MC is committed to improving the quality of life for its members. Your support is sincerely appreciated.
