2021-2022 Equipment Report

In 2021-2022 Athletics MB resumed the collection of the Exclusive Use equipment Levy (after a pause in the fee collection was implemented during COVID training suspension).

In light of some personal challenges, Sam Neis stepped down from his role as Equipment Manager in October 2021. In the short term, staff members took on the role with the assistance of a few community volunteers. It is still to be determined if/when we will attempt to secure a replacement for this position.

The following small equipment was purchased in 2021-2022

Rona-paint for display board base	7.27
Rona-parts for the display board bases	28.08
