

1. The athlete reps will do another call for athletes to form a council for the upcoming cross country/indoor season.
2. We are planning for a shoe drive this summer that will likely happen a couple times a year. The focus is on athletic footwear (runners, spikes etc.) but we will accept all types of gently used or new shoes. There will be a collection box at the track during Age Class Championships in July and we have 1 of 2 managers permission so far to keep a box behind the front desk at the Active Living Center in the UofM.

The non-profit organization this is happening with is called Soles4Souls Canada and they allow us to ship the boxes of shoes to them for free. The shoes then get upcycled to those who need them while helping the environment by keeping them out of landfills.

- a. Attached is a flyer we hope to be advertised on Instagram by AM and the University of Manitoba Athlete Council.
- b. At the moment we have about 8 pairs already just through word of mouth.
