

Athletics Manitoba Awards Committee Report

November 2025

- We have received price quotes for the physical Hall of Fame that will be displayed in the James Daly Fieldhouse. The committee along with Alanna (AM) and Kathy (MRA) will meet to finalize design. Also looking for grant support or sponsorship to cover the cost.
- In October and November reviewed and selected HOF inductees (9 applications, 3 awarded – 2 athletes and 1 builder; 1 application was carried over from 2024 and awarded to 1 team), Kirk Cadman Gift of Life Scholarship (6 applicants, 2 awarded), and Post Collegiate Award (5 applicants, 3 awarded).
- The committee assisted with the awards gala.
- We will make some changes to some of the awards deadlines for next year to give the committee more time to review applications and to inform award winners earlier so there is a better chance they can attend the awards gala and to keep consistency in deadline dates from year to year (e.g., Post Collegiate Award deadline Oct. 1).
- There is room for new members on the committee, if anyone is interested please reach out. We also welcome members from outside the AM board of directors.

Any external awards we should be nominating athletes/coaches/officials/volunteers for?

Respectfully submitted,

Melanie Gregg

AM Awards Committee Chair
